Dear Nick,

I would like to take the opportunity to thank you and your colleagues for the excellent service that has been given to Baydonhill since we began using you. n.e.r. recruitment has been a pleasure to work with and has been instrumental in our recruitment process. In a short period of time, we have developed an excellent working relationship with you and I feel this has been achieved due to your clear understanding of our business process and specific staffing requirements.

In particular, I have been impressed with the personal touch. You have taken the time to get to know us – both professionally and personally – and this has contributed to a rewarding partnership. It is clear that the candidates put forward have been selected carefully and we recognise the value of your pre-interview briefings which have been very helpful.

n.e.r.'s efforts and hard work will be greatly appreciated in our ongoing employment endeavours.

Yours sincerely,

Tania Brownhill
